“ *My name is cathy Lescosky, Rn. Iv'e known dorothy since I have been at the golden Living Center; She was such a delight. I comforted her during bad thunderstorms-she did not like the swaying trees outside her window. She must have had a cat, she was usually, these last few days, looking for her "kitty cat" She especially liked when you and David brought in your puppy. She passed so peacefully and beautiful-the Grace of God was truly with her. My 3-11 shift co-workers will truly miss your aunt.. God bless you. All she had been saying lately is take me back yo my chest er county home*
