“ Edith was one of a handful of people from the DeHaven's building that were very influential in my college years and on into the early years of my career. Having worked at DeHavens for 17 years, there are many great memories of basketball games, birthday parties, and food. Oh the food. What a glorious time it was for all to be there upon your arrival to the gang. I know my Grandmother Ruth will be waiting for Edith with open arms.

“ I remember your mom and you when we lived on the 3rd floor on top of DeHaven's Drug Store. You were so young then and your mom was always so kind to my husband and I and our daughter Shelley. She was certainly a very strong woman and had her sense of humor until she passed away. You were a great daughter Patti and I know she loved you and your family very much !! I am sending my love and prayers to you and your family ❤️
