“ *What can I say about Miss Edna, I only knew her at the end of her years and I loved spending some time with her, I usually saw her every night and always tried to get a smile from her. Sadly when my own mom passed I was unable to see her again. I thought of her each and every day praying for her comfort and looking for that smile. May she be at peace now and may she know how much she was loved. I was so impressed with the large amount of love shown by her daughter Pat Boyle and I could only hope when my day comes that I will have someone as loving as Pat to care for me. Your family is in my heart and prayers and I will be forever grateful and bless to have know my sweet love Edna.....Rest in peace.
