“ *Judy and Family
We were very saddened to hear of Ed's passing. While he was drifting away from the Freedom Rider's as we were coming in, we saw him at events many times over the years. Also every once in a while he would stop in at our shop at Phoenixville to say hi. He will be greatly missed.*

“ Our deepest regards to the Feeser Family. Ed Feeser worked with my father at Handy and Harmen. Ed took me under his wing for a day for the MDA Poker Run. It was a life changing experience. He would never let me call him Mr. Feeser. He helped me get into the Harley Davidson family. He is truly a wonderful man. While spending the day with him, I felt as if I had known him for many years. I am glad I was able to meet such a great individual. He is one of the kindest men I have ever met. He will be forever in our hearts and will be greatly missed.

“ Judy & Mindy,

We want you to know we are saddened to hear about the loss of your husband and dad. We were looking at our pictures the other day and came across one of all us gathered around our dining room table in Spring City, what a long time ago. We remember Ed as very kind and soft spoken and we want to let you know you are in our thoughts and our prayers.

“ I heard the sad news today. I am very sorry to hear this and wish there was something humanly possible to take away the pain for you. There isn't of course so I will ask for God's comfort. It has been a number of years since you passed through Nashville way on your cross country trip and Ed gave me a ride on the hog. I had the good fortune to have made you dinner. Remember? It must have been around 1984 or 1985. God bless you.
