“ Dear Fina and Michele, I was so sorry to hear about your dad. he was a wonderful man, and will be terribly missed by many. Whenever I have seen him lately, he has recognized me and we have had lovely chats, even tho it's been about 50 years since I left Kimberton. I was so sorry to miss your service last Sunday, but we had a previous engagement that we couldn't break. I hope to be able to come on Saturday. Thinking of you, Pat Howse, your old gym teacher!!
