“ Prayers for Eileen's family and friends. Many great moments with the Engle family. I am certain she will be sorely missed by all who knew her and loved her. I did spend much time at her parents house and played often in the back yard. Our families were also members at the Evangelical Congregational Church in Palmerton and socialized together there for many years. We were close neighbors and it was nice to just walk out the front door and minutes later walking up the steps to the church. Our times together were priceless and will never be forgotten. I have visited the church in the past few years and always look forward to seeing Suzanne and I offer my condolences to you and your family. God is great and He will be there for you during this time of sorrow. My brother Greg passes on his deepest sympathies. Rick Zern. Former neighbor and friend..

“ Eileen was a wonderful friend. I loved her very much. We became acquainted at Trinity EC Church. She loved the Lord with her whole heart. She was in the Precept Bible Study class that I facilitate. She shared so many insights. She will be missed greatly. We were in the Adult Sunday School class together and attended many of the Sunday School events together. She was a very good friend. We shared many conversations together and she always encouraged me. She was a great help to our hoagie ministry that helps to send our youth to camp. . The list could go on and on. Eileen was a very caring person. I know she is in the presence of her Lord and Savior Jesus Christ.
