“ Toddy and I became friends at a very early age, when she moved in on Somerset St in Philly. We went around together even after we graduated from high school. Then when we got married, there was another girl named Dottie and when we had kids we always would visit each other and take the little ones out. Toddy and I would go to dances, we had alot of fun. Theres so much I could say, but she was like a sister to me and I only had brothers. I will miss emailing her and seeing her on facebook. Rest in peace my friend.
Love Ginny
