“ Dear Pam & Kerry, We wanted to send you notes but did not have your mailing address. The service for your mother was lovely and inspiring. We loved your mom and dad very much and have many good memories of the good times we had together. Your mother had many good friends and that is mainly because she knew how to be a good friend. We share in your sadness and will keep you and your families in our prayers as you adjust to the loss. Love, Don and Norma
