“ Just found out my Aunt Eleanor has passed. Have been trying to reconnect with the Durnings and Baileys. Aunt Eleanor was a consistent, loving presence in my childhood. She was funny, caring and as with all my older relatives, showed me the real meaning of family. Aunt Eleanor I'm sorry I stayed away so long. I weep as I feel my loss. Oh Davey, please contact me. I want my family back.

“ I am sad that Aunt Eleanor is no longer walking among us but take comfort in knowing she is free of pain and in the caring hands of god. I will cherish the memories i have of her and am blessed to have had her as my God Mother. She always had a kind word to say and a big smile that would brighten any room she entered. May she rest in peace with others she held dear that have gone before her. Diane Leahy- Kabbeko

“ Dear Dave and Donna, I really appreciated you calling me to tell me Eleanor's passing. We were good friends and worked together at the IRS for many years. Although she had a loving family with you, she also had a loving family at work. we shared her happiness when you got married and with the birth of each of your children. Not only was Eleanor a pleasure work with, but was a very good friend to all of her co-workers. She was loved by all. She was always light hearted, happy and fun loving. We shared many laughs together at work. My fondest memory of Eleanor will always be the way she would always sing and dance when she passed my desk on Fridays - her favorite day! There are some people that you never forget and Eleanor was one of those people. I will really miss her. Love to you and your family, Joan Kelly

“ We were good friends as well as cousins. We had plenty of laughs in our young years, I will always regret that we didn't keep up with each other, but we always remembered Christmas, yours was always my first card. I look at these pictures and I can see a resemblance of our family. I will always think of you with a smile on my face and a tear in my eye.

“ I miss you very much. Words cannot express how much I LOVE you. I know i told you multiple times a day but it is hard for me not to see you. The pain is almost unbearable. I know the pain will go away over time but my LOVE will last until I see you in heaven. I am sorry for any disappointment I may have caused you. I am sorry for not saying good-bye, I thought I would have had a few more days with you. I could not have asked for a better mother. Thank you and I LOVE YOU. Please keep an eye on me and ask God to give me the strength and patients to raise my children the way you raised me. (I think I turned out okay). I LOVE YOU & GOOD-BYE YOUR SON FOREVER DAVID RICHARD LOUGHEAD JR.

“ Aunt El I love you so much and I will miss you terribly. I will never forget all of the trips we went on, all of the summers we've spent at Outdoor World, and all of our wonderful holidays together. Whenever I play the lottery I know I will always think of you and your numbers, and the way you talked about your "eggles" (eagles). You were always more than a Great Aunt, you were like a second Mommom to me and Shawny, you treated us like we were your Grandchildren. I'm so glad Brienna and David came into your life and made you a Mommom. You are so special to me, you have touched so many people in your life and your loss will be felt by all. I will never be able to express how much you'll be missed or even how much you were loved. I will cherish every single moment I spent with my "Aunt Nell" <3 I love you always and forever. Love, Steffy - Uncle Dave, Aunt Donna, Brienna & David We are all in this together, my love and support is with you anytime through this. May the comfort of our family & God help you through this difficult time. You are all in my thoughts and prayers.

“ *Keeping in touch I want to tell you I cant imagine life without you as my sister. You've always been there for me, you've always been there to support me whether I needed you to cheer me on or hold me up we've spent endless hours just talking (about nothing and everything.) I wouldnt trade those times for anything in the world. Together we've hurt we've smiled and we've grown. We have figured out the secrets of life or tried to atleast. I've always known I could count on you at a moments notice. To a sister who means so much, I wish I was there for you like you were there for me. All my love, Always and Forever Love, Julie and Sandy*

“ Dear Donna and family, My deepest sympathies at the loss of your dear mother/grandmother. Although you will miss her I am sure knowing that she is no longer suffering will be of some comfort. It will be hard to fill that void she has left behind. My Prayers and thoughts are with all of you.

“ My mom-mom was a "Grand"ma I will never forget. She never was mean to me. She always was loyal to me. I was never gonna give her up. But I had to. We had good days and bad days but more good days than bad. I will miss her. But she was so good to me and my brother. I helped her forever. She always said "What you do for me is what a great granddaughter would do" and that is what I will remember for the rest of my life. R.I.P Mom-mom.

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
