“ I worked with Elena for about three years and I am so sad to hear of her passing. She was such a sweet soul. I always enjoyed her coming into my office to chat. She loved to talk about her family and always gushed over her children. My oldest son born during the time I worked at Brock and Elena was always there for me with advice and a shoulder for a tired new Mom. She will be missed by many. I am keeping her Husband and children are in my thoughts and prayers. May they find peace and comfort during this difficult time.
