“ To The Family, It is hard to lose one so dear to us. It seems like the time we had with them is very short. Imagine having them with us for eternity without sickness, pain or death! (Rev 21:3-4) Is not that a wonderful thought? The original purpose for mankind was to live forever in a paradise earth free from these things. Adam and Eve were placed in this paradise after Jehovah God created them. (Gen 2:7-23) It was never Jehovah's desire for us to die. He will shortly execute this plan and remove all wickness from the earth. Thus returning it to the paradise conditions it was created for. Once that has been accomplished we will again see our dear loved ones and have the pleasure of spending an eternity with them on this earth. (Ps 37:10-11) Please keep those precious memories in your heart and mind of your loved one. Jesus Christ gave us the model prayer to ask for Jehoavh blessing. (Matt 6:9-13) He is making all things new! (Rev 21:5) My prayers all with you all! C. Smith

“ I remember visiting Aunt Betty when I was a little girl. I remember her helping us by giving us clothing to wear. I never once in my life forgot that, because it made me so happy. I always thought of her as a great person. She was kind and caring. Aunt Betty was a stand up person. Her family can be very proud of her! She will never be forgotten. Wendy (Tammy's daughter)
