“ My mother (Mom) was a great person. Mom was a great mother, the best. I miss her and love her very much.

Mom never had an unkind thing to say about anyone. Mom was a giver, not a taker.

Mom spent her life taking care of and loving her family.

Those that know me, know that I have a wicked sense of humor. Mom gave me my sense of humor. When I was young (and old!!) I would tell my mom jokes. She always laughed at my jokes. Mom had many jokes of her own. I can remember when I was young, and went out on a date, she would say...Dan be good....If you can't be good be careful. If you can't be careful name it after me. Mom's most recent line was...When you use the bathroom mention my name and you will get a better seat.

Mom loved the shore and sitting on the beach. I wonder where I got my love for the shore from!!!

Mom was proud of her kids and grandkids. Her kids and grandkids are proud of her.

I am so lucky to have a Mom like you. I miss you already, Mom. God, please help me deal with this loss. This is going to be hard. I don't know what I am going to do. I will continue to live my life the way you wanted me to. I am glad you are finally with Dad again in heaven. Someday, I will join you there.

I love you Mom and miss you so much.

“ I'm so grateful to the Lord to have had grandparents like Earlin and Betty Snyder for the first 37 years of my life. As a young boy I spent MANY days and nights at their house. I have many more memories of my grandmother (Betty) since my Pop pop worked at Phoenix Steel at that time. Mom mom always listened to and had time for me. She always respected my pop pop as his wife. Many times she went out of her way for my sister Dee and brother Bud. I loved when we all would laugh together. She did have an interesting sense of humor. Her and poppop were the ones who first brought me down to the Shore were my wife and I now continue to live when we're home on furlough. I am only #3 in a line of 17 grandchildren. She and poppop were married for 62 years and I'm sure had their tough times. But I pray I can be that steadfast in my own marriage. What an example they are! Now, for the first time in my life, you and Pop pop aren't there. Many people don't understand the bond between grandparents and their grandchildren, even if longer periods of time sometimes stretch between visits. I thank you and Poppop for all your love and encouragement though the years to overcome. I'll always miss you both on this side of heaven. love, your grandson Leslie and Yvonne(wife),
