“ To say Betty was one of a kind would be a serious understatement. She was a wonderful friend, fabulous vendor and someone I could confide in who would never judge me but remained compassionate to my suffering. I think back and realize I've known her my whole adult life. I first met Betty when she would visit our company dropping off parts back in the 70's. Her warm friendly way made it easy to work with her and appreciate what she and Bobby did for our company's success. Betty had a quick way about her and loved to joke and played along with my bad sense of humor. I was very surprised when I found out that Betty was a neighbor and a friend to my honey Connie. It felt like I had an "inside track" during our early years together. Connie and I enjoyed our Sunday breakfast dates with Betty after mass at Main Street Café. I will cherish all the wonderful memories I have of Betty and look forward to seeing her again. Thank you Betty (mom), I love you and will pray for your soul. God Bless the Vaspaziani family.

*“ We have so many memories of our dear friend Betty. She was truly a good friend, spending fun times in Pa, and many weekends with us in Maryland, with Jerry and the family. Loved having her with us, she made us all feel happy and special. She will leave an emptiness in our hearts. Rest Peacefully Betty.
