“ Joy, Craig and especially Scott,

I send my thoughts and love to all of you, hearing of the passing of Elmer.

I have wonderful memories

of driving with Scott in the TR-6 to do work or visit with your Mom and Elmer in Elverson. His dream of restoring his home which at first you couldn't even see thru the jungle of weeds and trees! The sand beach at the pond and Rose Cottage. Elmer had "visions" to restore big projects!

I will remember him as a very, very unique person.

I will always be thankful for the memories of being part of your family.

Elmer was one of those people who I certainly will not forget.

With Sympathy to all of You and your Families.

Love, Brenda

“ To the extended Fisher Family,
Elmer and my father were friends. I've known Mr. Fisher since the 1950s when I was a little boy. Elmer and my Dad had a lot in common. So much so when I spoke to Mr. Fisher I felt like I was speaking with my father. I'm very sorry that Elmer has left us. Mr. Fisher called last Christmas Eve. He knew that my family would be together and he kindly took the time to speak to us all. I've known Mr. Fisher since the 1950s. As a little boy my father would take me along to see Mr. Fisher at his home and at his business. Later in life, I would visit job sites at Valley Forge Park and at Welsh Mountain. Mr. Fisher was a constant in my father's life and my family's life. Our lives will be much poorer without Mr. Fisher. My sincere condolences to his family and everyone who cared about Mr. Fisher.
