

Emerson Mae Pineda

December 12, 2025

Emerson Mae Pineda, beloved daughter of Elena Pineda, was born sleeping on December 12, 2025 and was welcomed immediately into the loving arms of Jesus.

Though Emerson's time on earth was brief, her life was deeply meaningful and forever cherished. She was lovingly carried, hoped for, and already greatly loved. Baby Emmy will always be remembered as a precious gift, held in our hearts for eternity.

In addition to her mother, Baby Emmy is survived by her grandparents, Ernesto and Robbin Pineda, great grandmother Edith Pineda, and aunts and uncles - Matthew, Travis, Ernesto, Faith, Elijah, Gabriella, Rasheem, Esteban, Dominic, Nina, Syian, Benjamin, Cameron, Samuel, and James, in addition to many loving family members who will carry her memory always.

We find comfort in knowing that Emerson is safe, whole, and at peace with Jesus, surrounded by perfect love.

A private service will be held by the family. In lieu of flowers, donations may be made in Emerson's memory to Genesis Women's Clinic, High Street, Pottstown.

"Let the little children come to me." - Matthew 19:14
