“ *To Emma's Family,*

*Our thoughts and prayers are with your family. Emma was everyone's favorite patient at PowerBack Rehab Center. I was fortunate enough to share a room with her. In the few short weeks after my family and I met her, it didn't long to love her as if she was a lifelong friend. She had the sweetest nature and we shared many laughs and stories together. We also found that we had mutual friends. I thank God for the opportunity to have met her she was a blessing to me.*

*Love, from Mabel Schutz and family, Michael, Barbara and Sharon*
