“ My Grandmother was a gift to the world. Her talents seemed endless, to me it seemed there was nothing she could not do. Whether planting a garden, fixing her own household appliances, sewing, cooking not to mention her beautiful artwork in painting, stained glass and woodworking. My dearest memories of her will always be as "My #1 First Grandma." She loved being a grandmother and great grandmother and she touched all our lives deeply. She will be dearly missed, with much love. Olivia & John McIntyre, Sphere & Pi

“ My big sister planted love and caring in everyone she ever met, just like she planted her beautiful flowers. She painted everyones life with beauty and happiness, just as she painted her beautiful pictures. The love and happiness she gave me will live with me all my life. And I will miss her every day for the rest of my life. But I also will thank God everyday for letting me be little sister to such a beautiful person.

“ Linda and Toni, Someone did a fantastic job on putting this video together. Brought tears to my eyes. I loved Aunt Eris so much. So glad for the time we all had together at the reunion. Enjoyed watching her. Her spirit was so high. She will be missed by so many people but she is in a better place than we are and she is happy now because she is back with Uncle Joe. RIP Aunt Eris. Love you all, Sandy
