“ My family has many good memories of Aunt Sis. I can remember my father saying how much he always liked her. My mother's photo album has many pictures of the two of them in their younger days. My sister and I have many memories of good times, too. When my Uncle Winnie and Aunt Emma came up from Florida to visit, the first place they wanted to go was to see Sis. My mother always speaks of how dear she was to Grandmom and Grandpop Wells. We loved her and will miss her.
