“ *When I look back on my childhood alot of the memories that I have are with Esther and Paul. Whether it is swinging on the back porch, putting on shows in the back yard, or raising chickens (I love to tell my kids about that they can't believe I did that) I am so grateful to have grown up with them as my neighbors. I still to this day miss Esthers chocolate cake with milk over it,and have yet found a receipe that comes close to hers. I am a better person for have knowing them both and will miss them dearly!*
