“ *My prayers are with the family. It is never enough time to have someone we love and cherish in our lives. Once they have left us the time passed seems so short of a period. Please take some comfront from the scriptures to realize that it is not God's purpose for us to live a short while and die. His purpose was for us to live forever on a Paradise earth. “ *Dear Michele and family, Please accept our condolences on the loss of your Mom. We know that words are useless at this point, to express how you are feeling - and no matter how hard we try, we could never understand those feelings totally, anyway. We can only pray that God will help you through this time of grief. Please know that you are frequently in our thoughts and prayers. Love, Allen and Maureen*
