“ I am so sorry for the loss of your Mother. I didn't know it until after the services and that saddens me as I didn't get to pay my respects to all of you. I remember your mom from when you first moved to Yerkes and she was only about 24 years old! Please know you are in my prayers.

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
