“ Dear Sally and Arden,

I speak for my family when I say we will all miss Eva. Of my siblings, I knew Aunt Eva the best. Regrettably we did not communicate in later years, but fond remembrances of my days in Hallowell remain forever. Sometimes I wish we could turn the clock back to that time of innocence and eat dog bones and egg shells once again. Stay strong and be comforted by the fact that the Gagnon family shares your sorrow.

Love, Cousin David
