“ I came to know Marlene from working at Gwendolynn's Salon. She was always so cheerful and her smile was so contagious. I would like to think she's reunited with her husband in spirit and that she's earned her crown. She will be missed by everyone whose life she touched. God Bless her and her family in their time of sorrow. With heartfelt sympathy, Dee Bartchak

“ Marlene and Aaron touched my life with their friendship. The twinkle in Marlene's eyes that complimented your warm and caring smile will remain with me along with the many kindnesses. I close my eyes and see Her walking in the Lords loving light in the garden with Aaron... eternal love. She will be missed... Our heart felt condolences to her family.

“ We were saddened to hear of Mother's passing, but thankful that she did not have to suffer for a long time. We will miss her happy smiles. I'm so glad that these last few months we had so happy times talking together over the telephone. She didn't seem to be worried and remained very optimistic about her treatments. I'm going to miss her so much!!! We will be thinking of all of you in the days ahead as you readjust to life without her. Losing your parents is so painful, but with faith in God, we shall all be together again some day. Our love and prayers will be with you as you grieve your loss. Snookie & Bernie

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all. “ I can hardly believe this lovely, talented, wonderful Christian woman is gone!! She was a person I greatly admired through my career as a Home Ec. teacher at Arcola, starting in 1988. She had that special touch of doing everything well. Her Christian faith and positive outlook were inspiring. I feel fortunate to have called her my friend. She touched many lives in a special way. May she rest in peace with her Lord and Savior. Love, Joy, Peace, Portia Potts

“ John & Paul I think you know that both your mother and your father held a special memory in my life. I was in your father's 5th grade class and Limerick when your mother started teaching art, that's when the 2 of them met. Our class felt like we were all part of the "courtship" and were really happy when they becamed engaged. I'm going to miss her. Take care and my thoughts and prayers are with you.
