“ Faye waa a warm and welcoming lady. She treated me as one of her own when I was going through a rough period in my life. Always a smile, a hug and a warm meal. She enjoyed visiting my homestead and picking blueberries. I enjoyed all her hallmark movie collection. She will be misses but never forgotten. Valarie.

“ Dear Kathy and Family,

My sincerest condolences go out to you and your entire family in the loss of your Mother. Faye was such a sweet and intelligent lady and such a pleasure to be around. I got to visit with her the day before her surgery at Lankenau where she talked about her family and friends and also we shared some good belly laughs too. Hopefully this visit was able to take her mind off of what was coming up for her the next day. I am so glad to have known her and she will be greatly missed. Hakuna Matata now Faye!!!

Keeping you and your family in my thoughts and prayers at this sad time.

“ Faye gave the best hugs! She helped for many years with St. Paul's VBS, most recently as our Snack Leader with treats for the children and going over the story of the day with them. She was such a sweetie. One of my all time favorite people! Sean and I will miss her.
