“ Dear Claudia and family,
I am very sorry for your loss and my prayers are with you. I went with a group from Limerick Chapel with Frank to China. He really loved God and shared it by ministering to the people there through his singing and down-to-earth talking about God! Thank you for sharing him with everyone! God bless you and your family.
With much love,
Regina

“ We lost a wonderful man this week. I only saw this tonight on a facebook posting! I have wonderful memories of Frankie from the first time I discovered him on WPAZ doing his Saturday morning true country music. I sent him a few letters and he always read the entire letter on the air and then played a special song just for me. He made everyone feel like they were the most important person when he spoke or sang them a song. He had to be loved by thousands of people. His love of God, his family and country music, will live in many hearts for a long time. His family performed at our Renninger reunion several times. At our 2016th reunion it was our 100th celebration and I am so thankful his family performed for us....it was our last one. I want to thank you Claudia and your sons for sharing a bit of him with all of us for so many years. Rest in Peace our favorite cowboy. Bonnie Mauger

“ Our condolences to the Bedo family. We had "Frankie the Cowboy" perform every year at our nursing facility. He seemed a gentle soul and his musical talent and person will be missed. Thank you to Frank for all the many years of sharing his talent with us all.
