“ *Rita & family - My thoughts and prayers to you and your family. I feel the loss of a friendship that spanned decades going back to the early 70's as team mates on the Y's Guys Volleyball Team. My day was always a bit better after bumping into Frank at church or around town and receiving his hearty handshake, a smile and listening ear. I admire Frank for his fidelity to family and to his profession. He was a true peer role model. Frank will be missed. God bless you and family.*
