“ Gary & his family lived down the street when my father’s company transferred us from North NJ to Phoenixville. They were all very welcoming. I remember climbing the apple trees across street @ Mrs. Werner’s & being frightened to climb down. He & his brother (teasingly) coaxed me down assuring that if I slipped, they’d catch me.

I didn’t slip but it was comforting to hear those words from below. May I share the same from below... “You’re in good hands now Gary. Trust your journey”

RIP

I got stuck in those trees many times. Lots of memories of running wild around the neighborhood. A whole lifetime ago.

So sorry to hear of Gary's passing. My condolences to his family. Gary & I were neighbors back in the day. We had so much fun playing outside building tree forts and playing baseball at the old Mason St. School. You will certainly be missed old friend. Carmen.
