“ It was a privilege to teach with Genny at Baker School in Moorestown. We had such fun times together over the years, especially when our staff was small. Genny hosted many staff parties in her home. I will always remember her kindness, compassion and infectious smile. Our sincere condolences to Gil, Jim, John, and Susan and their families.
Sincerely,

“ Genny opened her home at the lake to me and my girls, as if we were family. She always had my girl's art work from the year before hanging on the fridge. She is one of those people who just touched so many lives, in so many ways. She will be missed so much. The entire Aitken family is in my prayers. I am so sorry for your loss.
