“ *To Emma, Happ and Alynn and family:*

*George was my Guardian Angel when we lived on the Avenue. If I had a problem, he was always there to help me. My son was young and John worked in the city. He never seemed to be home when the need arose. There were never better neighbors than the Capofferi family. My favorite memory was when a bat got in my house. After a frantic call to their house the Capoferri clan arrived. George, Happ and Alynn came in armed with baseball caps on holding tennis rackets. We all were searching for the bat. Of course George my hero found the bat hidden behind a curtain . We all enjoyed a good laugh after he ushered it out the door.*

*Please know that my heart goes out to you at this difficult time.  
With deepest sympathy. Kathy Grispon*
