“ Kathy, Sorry to read about your mother's passing in the paper this week. I am postive that this dark time will pass and God will support you and your loved ones through this very difficult time. I believe that you know in you heart your mom is in God's hands and what better place to be. However, for those who remain it is a difficult time because you will miss her. I pray that God will comfort you and your family during this time.

“ I will miss Georgie's smile and wave as she would sit on her back patio and watch me tend to my yard. She was a wonderful neighbor and I know her husband and family will miss her terribly. All my love and prayers. Neighbor, Pat Metzger
