

Mr. Gerald Marvin Daywalt Sr.

November 24, 1945 - June 3, 2021

Gerald Marvin Daywalt, Sr., 75, of Oaks, passed away peacefully at Pottstown Hospital on Thursday, June 3, 2021 surrounded by his family. Born in West Conshohocken, he was the son of Carl William and Mae (Carter) Daywalt. He was the loving husband of the late Nancy (McClennen) Daywalt who passed away in 2014.

Mr. Daywalt was a dedicated employee of Upper Merion Township for many years. Gerald honorably served his community as a volunteer fireman for George Clay Fire Company, Swedesburg Fire Company where he was a lifetime member, and Oaks/Black Rock Fire Company where he served as Fire Police Captain.

Gerald enjoyed the outdoors and loved to hunt and fish. He also enjoyed spending time at Grandview Speedway watching the races with his grandson. Gerald loved taking cruises and vacations to tropical destinations like Mexico with family. He was a social butterfly, who made friends wherever he went. On nice days, he could be seen riding his electric scooter down to the little league field to enjoy the weather and watch the ball games. What Gerald loved most of all was spending time with his four grandchildren whenever he could.

He is survived by his son Gerald "Gator" Daywalt, Jr., husband of Robin, of Limerick, his four grandchildren; Alyssa, Jenna, Serena, and Zachary, and several nieces and nephews. In addition to his parents and wife Nancy, he is preceded in death by three brothers; William, Carter, and Carl.

“ Jerry will be missed. I looked forward every year to having an annual pig roast in seeing the family. Miss those days. Love seeing Jerry there. He could be an instigator at times and just a little stubborn. He was always there with his support for the family. Family was everything to Jerry. I know Nancy and him are now at peace hand in hand.

“ Gator and family, so sorry to hear of your dad's passing. He was a fun person to be around. Always remember him buying me Milky Ways when I would go to Fenwick Island. He will never be forgotten.
