“ You were always so kind to me when I was a child. I always felt loved when I was in your home. You never treated me like a stepchild and were always fun to be with! I am very thankful to have had you in my life!

“ Aunt Gerry gave me so many happy memories. I can remember all the way back to having lunch at the Shuler House? on High St. She brought us a dessert of the cantelope and watermelon balls. First time I ever saw that and will never forget it. She bought whatever we were selling for school without hesitation. When she moved to Florida for some time, it was always special to get a letter from her, took days sometimes longer to figure out what all the words were...it was like solving a puzzle sometimes. I was always anxious to write back, so I would get another letter. She rented me my first apartment, and when I would come home from work she would have left me a treat on my counter or something she cooked in my frig. She was always doing for everyone else. When you saw her car coming up Walnut Street you always moved over to give her clear passage, cause she was gonna take it anyway, her driving was exciting to say the least. She loved her entire family with all her heart, she will be greatly missed.

“ Gerry & Timber were such good neighbors, in the summer they would drive down to NE Maryland and bring home crabs to share with the neighbors; there wasn't anything they wouldn't do for you! Also the kids loved to see his train platform in the basement, and they took such good care of their property in the neighborhood. They were a joy to live next to in our development. Our thoughts and prayers are with Gerry and the family, at this time of sorrow,

“ Gerry was such a wonderful, loving, energetic person, so full of life. One of the best neighbors a person can ask for. My children ( Sandy and Cliff's grandchildren) loved her and she would make them her special soup because she knew they loved it. Summers are not the same, we would be at my parent's pool and she would come over for a visit. Gerry was truly special and will be missed. She showed love to so many. God Bless and Peace Gerry! “*"Aunt" Gerry was a loving person, always smiling and willing to listen to whatever my child mind had to offer. The last time I saw her was at Spring-Ford Diner with the group from the Manor. She was still her tall self, even though using a walker, and gave me a warm hug, asked about my family and seemed very happy to be living where she was. I remember visits to Aunt Marion's and Gerry was always there to complete the family picture. She was a good cook, just like "Aunt" Helen and Aunt Marion. Nanny Rahn must have taught them well. I will miss Gerry's smile and warm personality. God Bless, and be sure to say "hi" to the rest of the family when you get to Heaven. Love, Mary Ann and Bill Herbsleb*
