“ We first met Gertie in 2012 through her organization, Seniors Helping Seniors which provided care to our mother. Gertie was very kind, and a thoughtful listener. Because she really listened, she knew exactly what to say to calm our mother who suffers from dementia. She made many 30-mile (one way!) trips to our mother's home to introduce her to new caregivers, and to check on her well-being. Gertie's dedication and caring was obvious in every interaction. We are truly grateful for having known her, and for the care she gave our mother, which she undoubtedly gave to others. We, along with our brothers, extend our sympathies to Gertie's family. “ *I am shocked and deeply saddened to learn of Gertie's passing. Gertie was my employer for a time and a peer in the eldercare network. Her dedication and passion for helping older folks remain in their homes is unsurpassed. Gertie worked hard at finding the right caregiver for her clients and she gave tremendous support to families. Her spirit and positive outlook was inspiring to me - my prayers go out to her family and loved ones.*

“ It has been an honor to work for Gertie for the past several years at Seniors Helping Seniors. She was a true mentor to me. She was more than a boss. She was someone I looked up to. She truly cared for her clients and caregivers and I was fortunate enough to have had Gertie in my life. One of my favorite lines she would always say, when things clicked or came together, "Isn't life a beautiful thing!" Life is a beautiful thing Gertie, and you made it more beautiful by those you have touched. I will miss you.

“ I've been friends with Gertie since 1975. Over the years we shared a lot of good times, dinners, and of course cocktails. I loved here laugh and finding humor in the goofiest things. She set a great example in caring for aging parents. She helped me when I had the same issues. I was lucky to have shared some time with her in the last few weeks. Even then we managed a few laughs. I will miss her. She was my friend. My thoughts are with Ame and Ron . The very best caretakers.

“ I met Gertie, after I retired. After being home for a while, I decided I needed to do something. I saw the ad for SHS, and was worried that I would be too old. I replied to the ad and met Gertie, and was hooked. She was so sweet and kind, and a great Boss!!! I will miss her dearly.

Our dear Gertie changed my life when she approached me at a career changing seminar, to ask me to join Seniors Helping Seniors, after I had cared for and then lost my mum. I will never forget her saying that caregiving is the most rewarding and fulfilling thing anyone can do; she proved it with her ever-present compassion and caring... she was and is an angel whom I feel blessed to have had in my life. I send all my prayers and comfort to her family in this time of grief. What a wonderful soul!

“ I came to Owen J Roberts late in the spring of 1968, the end of our junior year. As our senior year began, I was that awkward outsider looking to connect. Gertie was that special someone who made me feel accepted and a part of the class of 1969. While I knew what I wanted to do with my life, she was one of my best supporters to pursue my dreams. After almost 40 years in ministry, I am now serving as a chaplain with hospice. Gertie always reminded me to give to others and in so doing I would find the most fulfillment in life. She was wise way beyond her years. I am so sorry for your loss and will lift up her entire family in my thoughts and prayers. God be with each of you.
