“ *Gina was my second mom who basically took me under her wing and made me her own when I was about 8 years old. She opened her home and heart to me and never let me go since. She became an integral part of my family and I became part of hers. I got to experience a love in a family I never knew could exist. She will always have a special place in my heart! Love you Mama G. And know I will always be there for your girls...all of them! 💕💕*
