“ *I had the pleasure to work with Gladys my last 10-15 years before retiring from Merck. Gladys had superior skills and was great at her job. Her work ethic was strong & reliable, even personally with her workout schedule. But more than that, we were good friends. Loved talking football with her and especially enjoyed talking to her about her Cowboys & Nittany Lions. Gladys didn't talk bad about others. She was a Christian who walked the walk and I always admired that. Gladys is already missed. Thank you Tammi for taking such good care of her til the very end. She loved you and appreciated you!*
