“ I extend my sympathy to all of Gracie’s family at this time. She was a remarkable woman who made an imprint on my life. Gracie was my care giver and a mother figure to me. I remember her taking all of us to “the bend” to swim and the time we would jump into the car when the fire siren went off so we could quickly follow the trucks to the fire scene. There was always excitement when Gracie was around. I will never forget her electric smile and infectious laugh and the way I always felt so special in her presence. Peace, love, and comfort to all who share in the precious memories of Gracie: a loving mother, grandmother, sister, aunt, mentor, and friend. Patti Wall Erbe and family—Kevin, Patrick, and Izzy

“ I will always remember the fun times we had with Gracie. As a family, we joined hers on many family outings/events. As a young girl I can still see her face as she drove away when I occasionally baby-sat her four boys. She inspired me with her skills in making beautiful rugs, every twist done with love, although her hands ached. But most of all I will remember her laugh and sense of humor. God always plucks the best roses for His garden first. I know she will bring her charm, wit and humor to Him. With fondest love to all, Tудie
