“ Harold was a big old teddy bear, always friendly and helpful to anyone. Of all the memories I have of Harold, I can best describe him as the ideal Christian. Always humble, always willing to serve, always putting the Lord first.

“ My Uncle Harold. It's hard to put into words because it's more of an emotional thing. I remember his big smile and wonderful laugh. To me he always seemed happy! I mean really happy and as I got older I realized it was because he knew his purpose in life. That purpose was to serve the lord. I am thankful to have him and Gram as such great role models. To Aunt Ruth and all of my cousins. I miss you and love all of you! May God's loving grace be with you.

“ Harold's laugh was always my favorite! Growing up in Valley Forge Baptist Church was a privilege with so many wonderful people. I will always look at those years with fond memories. Thank you Harold for being one of those people who taught me to be a good Christian and caring person.

“ Have many wonderful memories growing up at VFBC with Harold and Ruth and their beautiful children. He and the family were faithful and drove a long way. Harold always had a helping hand ready which was much needed in a such small church. His love for Jesus was always evident. My sympathy goes out to all of you.
Ps. 34:18 “The Lord is near to those who have a broken heart, and saves such as have a contrite spirit.”

“ *Harold was my Sunday School teacher many years ago. I am thankful for his life and love for our Saviour. It was a joy to talk with him early this year. COVID kept us from meeting but will meet again when the Lord brings us together.*

“ *The "Uncle Harold" laugh is famous in our family! It seems that a laugh just like his is a stage the little kids always go through which makes us think of him. He had one of those distinctive laughs that we always attribute to him if ever we hear it come from someone else!*

Sending much love to Aunt Ruth and the entire family. I love you!
