

## Harry F. Chrisman, III

March 21, 1952 - April 30, 2025

Harry F. Chrisman III, age 73, of Phoenixville, passed away on Wednesday, April 30, 2025, in the Paoli Hospital. Born on March 21, 1952, in Pottstown, he was a son of the late Norma (Bossert) and Harry F. Chrisman Jr.

Harry retired from Shelley's Building Supply on Rt. 113 in Kimberton after 35 years in building and lumber sales. He enjoyed playing golf, following The Juliano Brothers Band, and playing fast pitch softball for a number of local teams in the Church Industrial League.

Harry cherished time spent with family, especially in Sea Isle City, where he spent most of his summers camping at Pine Haven Campground. He also loved spending time with his grandsons and attending their sporting events.

If there was one legacy of Harry's that could be carried on, it would be that Harry was a fan of whatever team was currently winning the most in their respective sport or won that sport's championship. The proof was that Harry owned almost one hundred hats of all these teams, with the exception of any Philadelphia team.

Harry is survived by his longtime companion, Diane (Dungee) Moses; siblings: Joan, wife of Bob Keyser and Joseph, husband of Valerie Chrisman; step-daughter: Lisa, wife of Jeff Koch; grandsons: Owen, Mason, and Landon

Koch; nieces and nephew: Ashlee, wife of Mark Filchner, Stephanie Leinbach, and Bradley Paul, husband of Rebekah Chrisman; and several great nieces and nephews. He was preceded in death by his step-son: Tracy Moses; and nephew: Joel, husband of Leah Keyser.

At Harry's request there will not be a service.

In lieu of flowers, memorial contributions may be made in Harry's name to the Paoli Hospital Foundation, c/o the Development Office, 240 N. Radnor-Chester Road, Suite 340, Radnor, PA 19087, please designate or memo on any donation: Interventional Radiology.
