“ *I have know Harry all my life. We went to the same church, or at least his mother did after he got a bit older. My father was also a farmer in WVT (Newt Evans) and he and Harry were friends. The next to the last time i saw Harry, he came to my parents home to see my father and talk about old times. By then my father was at home in hospice. I learned that Harry had been coming to see my father on a semi regular basis for years. Thank you Harry.*

“ So sad to hear of Harry's passing. Harry and his brother Ken have been friends of mine since high school. Harry and I have traveled together to several farm functions over the years and since we were both farmers we shared many stories together. I have not seen Harry since we moved to the Poconos but was just thinking about giving him a call. He will be missed. My condolences to his entire family. My thoughts and prayers are with you.

“ Harry was a steward of beautiful Birchrunville countryside, a friendly wave and smile whether you were going by on horseback or in a car Harry did a service to us all by tending such a beautiful farm; the picturesque meadow filled with cows, the crops waving in the breeze, the sounds of the cows in the milking parlor. All of it a tribute to farmers and the hard work they do simply for the love of it. Thank you Harry and family for giving us all those images & memories. Barb Mueller & the Kimberton Hunt members.

“ Harry loved to share stories about Birchrunville and my parents. My mother, Elizabeth Dewees's father ran the post office and Birchrunville General store. I heard stories from him that no one shared ...  
He also told me stories about my Dad since he lived in Birchrunville. We had a wonderful connection. I will miss him and wished I had seen him more in 2020 before this happened. Sending my condolences and prayers to a good man gone to soon.

“ Husband Jim and I went to Helens once a month for dinner with Harry. Jim & Helen are also gone now. Harry was a kind and gentle man and will be greatly missed! But I know he's happier now to be with his Helen. Sorry it was in such a hard way. Harry's with the angels now.
