“ I worked with Harry for 20 years and always enjoyed his wit. I would see him occasionally at ROMEO lunches where retirees would get together periodically. I will miss Harry. He was a special person.

“ I was sorry to hear of Harry's passing. We worked together at R&H, both starting in Lab 12 in 1959 and retiring from Ion Exchange in Spring House. I will miss Harry's whistling the same 8 bars of music as he worked. Harry was a good friend with a great easy-going personality. I will remember him in my prayers. God Bless.

“ I'm so sorry for your loss. I worked with Harry for many years at Rohm & Haas. The retirees from R&H meet every couple of months for lunch and we have missed not seeing Harry the past couple of years. He was a wonderful man with a quick wit.

“ I worked with Harry for a short time but I truly appreciated his dedication and work ethic. Harry was both serious and funny, a great combo for a human to have. RSVP, Harry.

“ Harry was a coworker of my late father (who was also named Harry) at the Rohm and Haas Spring House Labs. I worked as a summer intern in another dept. there and got to know Harry when I would join my dad's group at lunch. I can picture Harry as he was then and remember his dry humor. My condolences to his family.
