“ We used to live in Spring City and for years enjoyed lovely trips to the bakery for friendly service and the most delicious cupcakes. We have since moved, but every trip to Royersford was accompanied by another trip for chocolate cupcakes with vanilla frosting. A few months ago we were visiting and learned of Steve's illness. Sadly we visited again last night and learned of your tragic loss. Please know that he will be missed so very much by our family and that as I think of our many visits to the shop, I am happy that he lived a life in which he made people happy every day. We send our prayers to your family and particularly his partner, Michael. God bless each of you as you grieve a wonderful person gone far too soon.
