“ *Heather was my college roommate, and my roommate during our internship in Washington, D.C., and also a special part of my wedding. She was one of the most selfless and caring people I've ever had the privilege of meeting. She was also very witty and loved to laugh. I know she will be greatly missed.*

“ Heather you were the most unselfish, Loving, caring, God fearing woman I know. you never complained, but gave yourself to everyone. You were a great neighbor. Even when you moved, you always thought of my Mom. You would bring the girls to come see my Mom who loved to see you all. You will be greatly missed. We all lost a little piece of heaven with you gone way to soon. We will carry a piece of you in our hearts, until we meet again up in Glory.

“ I remember when we hired Heather at Eastern University 22 years ago as a receptionist to CCGPS at the Valley Forge office. We quickly realized that Heather had a numbers and excel acumen and was very good operational and administratively - and her passion was more to be behind the scenes than on the front desk :)! She transitioned to work directly with me on the financial work of the school and was indispensable in helping me keep my head on straight. I couldn't even summarize all the different projects she took on over the years and the excellence and servant heart in which she did her work. Her love for her family and her love for her Lord Jesus were the pillars that anchored her. She will be greatly missed by all she left behind, especially her nieces and grandnieces. I know she is in an amazing place with the Lord she loved and served faithfully all her life.

“ Heather was in my first 7th grade class at TCA when I was a brand new teacher in 1982. It has been a blessing to have her as a friend since then. She was truly one of the most selfless people I have ever known. Heather is loved, she will be missed, and she is now healed in heaven. ❤️

“ My sister where to begin. She is one of the most amazing women I know. She never complained about anything all the way up until her death. She was always giving of herself and did want anything in return. She took care of my daughters like they were her own. I Love You Heather forever and always.
