*I will miss Helen. I worked with her when I was 16 in Phoenixville and sat in front of her desk after school typing orders. Helen was there for me if I wanted to talk about anything going on in my life. Singing, going to college she sent me anything Snoopy, and she remembers when Allen attempted to teach me how to ride his HUGE motorcycle! The Beard family is a part of my life and it will not be the same without our Beloved Helen. I saw her around Christmas and she looked good out of bed eating something Allen brought for dinner, as he did daily. Helen lived a life with the Lord, singing His praises at church and living her life as a Wife, Mother and Friend. She was always more than a Friend to me. I will never forget our work lunches at the Vale Rio diner and have kept her mailings she sent to me throughout the years. I was lucky to have met her and to love her and her family. I will keep in touch with those "Busy B's" as Helen would sign everything she sent to me.*

“ *"Mom", as I called her, taught me how to make Poppy seed , nut roll, apricot and prune rolls. That was a good day, learning ! "Mom" always gave me her undivided attention whenever I visited and always left her home feeling priviledged to have had great conversations with her , Jake and Donna. Oh , and let's not forget all those loaves of Easter Bread made every year by her. Will miss you, but You are in a Better Place ! Margaret and Chuck Dero*

“ Dear Allen and Family: Helen was a truly wonderful person. I will always cherish the talks and guidance she gave me in my years of growing up and coming into adulthood. And like Nicha, playing in the back yard and in the swimming pool, Having picnics and all the fun activities of growing up in not such a high-tech world . Most of all, taking me to church and giving me an insight to the word of God.

*With love, Faye*
