“ I have such fond memories of Mrs. Putz and her loving support for her son, Tom. Over the years, she spoiled Tom and his housemates with wonderful dishes of food in great abundance for agency functions or just because she was cooking for her family. She will be dearly missed but her memory will live on forever.

“ Steve, Leslie, Tommy & Family, Our thoughts and prayers are with you all during this difficult time. Your mother was such a fun loving and wonderful woman. Thoughts of Helen always bring a smile to our faces. We still remember living on Kurtz Lane and seeing Helen in her brown Camaro coming over the hill on Reid Road. We could barely see her behind the steering wheel, but know Helen had to be in there somewhere. She always knew how to make people laugh and have a good time. I know that she is in a better place and that she has Puggy sitting on her lap. May you take comfort in your memories and know that your Mom is at peace. Sincere regards,

“ To the Family, We are always saddened by the passing of our dear loved one. The time we have with them is never enough. Please keep in your hearts and minds the wonderful joy and happiness they brought to your lives. Even though it is hard for us to imagine the void in our lives be assured of this period as resting time for them. Hope is given to us through the scriptures that this enemy called "Death" will soon be done away with. (1 Cor. 15:26) Not only will death be no more, neither will sickness, pain and sorrow be anymore. (Rev. 21:3-4) God has said "He is making all things new". My prayers are with you all.
