“ Deanna,
We are thinking of you & sending our love & prayers! I remember meeting your mom for the first time right before your wedding. She was so nice & truly felt welcomed in your home. All the years since; even though I didn't see her a lot, she was so warm & caring & always asked how everyone was doing. What a special lady!! God Blesslove, Debbie, Shawn & boys

“ My sister Anne and I and our parents lived across the street on Clearview Ave. Noreen and Deanna, I was very sorry to hear about your mother. I would speak to her when she and your father still lived there, and I was visiting my parents. Your mother was always so nice to talk to. She is in God's memory. "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." (Revelation 21:4)

“ We grew up next door to Helen, Al and the girls. They were like family. I would go over to visit Helen when I was young. Always remember her using Jergens hand cream. Every time I smell it I think of Helen. RIP Helen.
