

## Mrs. Helen Srinivasan

November 8, 1940 - June 29, 2022

Mrs Helen Srinivasan wife of Late Mr William Srinivasan Howie, retired professor and head of the department of zoology of St Francis College, Hyderabad, India , went home to Jesus on the 29th of June 2022.

Helen was an excellent wife , mother, teacher and friend. A beautiful woman of fine taste, intelligent, talented, and generous.

She loved the Lord Jesus and lived an exemplary life , leaving behind a great legacy of prayer and perseverance in the face of adversity and firey trials.

Her ability to smile through her pain and suffering gave hope and courage to all whose lives touched hers.

Her great sense of humor and sharp wit brought laughter and joy to everyone around her.

She will be remembered with great fondness and love by not just her family and friends but people who were part of her life for even a few hours and days!

“Charm is deceptive and beauty fleeting, but a woman who fears the Lord is to be praised!”

Helen was that woman!”

“ I can never forget Aunty Helen for her gentle spirit and calm demeanor. Her smiling and her caring heart, would bring warmth and joy to everyone around. She had a subtle sense of humor that cut deep, especially when directed at Uncle Willy (her husband) as the subject of her jokes.

*I remember tomatoes were one of her favorite fruits when she had to make a humorous reference to anything round.*

*She's left us and gone to be with our Savior. We're sad but she will forever be alive in our hearts, until we meet again.*

*I will always remember aunty for her soft laughter, and gentle way of  
speaking. She was a lover of nature and beauty, and took it upon  
herself to educate me on the names of flowers. She also taught me  
how to cook vegetables, while retaining their colours and freshness. I  
always admired aunty for the ornament of her meek and gentle spirit,  
which is of great value in God's sight. Will miss her a lot. May God's  
comfort rest upon the family.
