“ Dear John
You are also included in the tribute to your dear mother. I know she loved all of you very much. Remember the good times and all the love she gave to you and all of you.. When I would see her she always talked with pride. Hope this eases some of your pain and hold on to the firm hope of being reunited with all those who we love and miss.

“ I am so sorry for your loss and to let you know I am here if you need anything even if it is to sit on porch like your Mom and I did over the many many years we had together, We went through many years together raising our children , going through good times and hard but we always knew we could count on each other if we needed, Not having you here will be very hard but I have the memories and all of your children and grandchildren to keep me in touch with you, Love you Helen, your friend , Shirley
