“ Your mother/grandmother was such a wonderful, fun loving person! She worked with my mother, Loretta Kane, for many years at Valley Forge Army Hospital. I believe my mother even went on a trip to Ireland and a Cruise with Helen. I remember one picture my mother had with Helen lying on top of some graves in Ireland with a big smile on her face! She always had a smile on her face and made you laugh out loud!! My mother loved her and always knew she'd be having fun if Helen was going to be there. Please accept my condolences in your loss. She will be greatly missed. Not many people in this life could bring the joy she did. Now our deceased loved ones are enjoying her!
