I literally met this wonderful woman on the phone over 45 years ago as we both worked for Lees Carpets. I also knew her husband Lewis as he worked there as well. From the day I stepped off the plane in Philly it was like I had known her my entire life. I would spend my vacations on the East Coast with Lew and the next year they would fly back to San Francisco to spend vacation with me. I watched her family, Denise and Rich grow up and marry and have their own kids. The only thing that kept us apart was the miles but we always had the phone to keep in contact. I was fortunate to fly back to visit for her 92nd bday and surprise her with a 2 week visit and I am so proud that I did. Our time together was always so special. Also we burnt up the phone lines with calls and lots of memories. Her niece Cathy also worked at Lees Carpets and she was also a part of my extended family. I will truly miss Helen and our friendship we had all these years. Sleep well my precious friend as you are again with Lewis and all your other siblings, I will never ever forget our friendship and you will be in my heart forever. Love and miss you Helen . My arms hug the entire family, Denise, Yaz, Tyler, Rich, Vicki, Marissa, Jenna and Max I love you all.

“ As part of the Yutz family, I loved visiting with her and learning about all my relatives on my father's side that I never really got to know. I remember staying with Aunt Mary and Uncle Mooch - her parents - in McVeytown and them not having a indoor bathroom yet. She was always full of life and had a great sense of humor. Rest in peach, Honey, and give my mom and dad a hug for me.

“ Mr and Mrs Yeager were like all the parents in our neighborhood... No one had one Mom or Dad in our neighborhood. We all had many people looking out for the neighborhood children. We were never far from a kind heart and a warm hug. We will all miss you Mrs Yeager.
