“ I am so sorry to hear of this passing. I am presently out of town and cannot attend the funeral but I want the family to know my feelings. I have known and repected Jake since I was a young child and looked up to him as a icon. I looked up to him as an efficient and successful farmer/businessman and a dedicated family man. He would arm wrestle with us when we visited the farm as kids and always enjoyed winning. He also educated my brother and I about how a real farm work. We will miss him, but I know that he is in good hands and in a better place. Go with God Jake! Scott Lewis
